

## Angel Flight West

Mr. Holtz and Mr. Schaper will talk about the flight operations at Angel Flight West and tell us why do they give so much of their time and money to help strangers. They all have two things in common: The love of flying and the desire to touch people's lives. Discover what Angel Flight West pilots in your region already know about the rewards and satisfaction of using your special skills as a pilot...

**Directions:** The Presentation will take place in the conference room at the basement of Modern Pilot. Access to the basement is on the left side of the building.
